

# MENTORING REGISTRATION

It's-a me Mario !

Hello Poor Plumber on an Aventure, welcome in the 60th CIRCUIT of the INSA TOULOUSE kingdom !

You are probably surexcited to have arrived up here, it is the beginning of a new level filled with unknown. However, danger is around the corner, at any moment BOWSER can put an end to your calm travel...

BUT NO ! Breathe !. 5 ins, 10 outs (magic formula to succeed in any CC). You have in your hands the one and only MENTORING REGISTRATION who will allow us to match you to your future mentor because you won't be able to overcome this week on your own.

We, the Great Donnor of Affection, are here, right behind you, to help you out. We will support you until the end of the level by eventually giving you some CHEAT CODES (like flash cards (like in thermo)). But there are so many GDA that we have to find the one for you.

For that? THE FORM: once again the Com'Parrainage is here to help you find the chosen one. We're a little like Toad, here to give you some perfect bonuses to win the race.

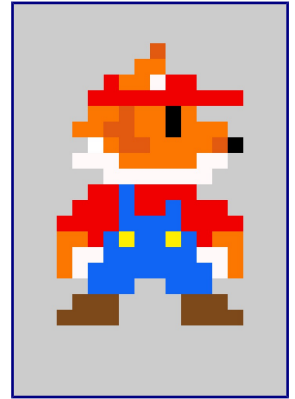

But, if you want to receive those bonuses you'll have to fill with the most serious seriousness the form you got today. At least you owe that to us...

Ready, steady? GO!

Once the fiche is perfectly filled for you, send it to us on a little shell or by post way. IF it really really really is impossible to you, we could eventually accept for you to send it by email. ONLY if you are unable to send by post or if you live far far away.

So we're going for 3 rounds, careful to the banana peels...

### 30. What's your sign? (I'm a *pisces* (that's not true I'm an *aries*))

ARIES	CANCER	LIBRA	CAPRICORN
<p>Hay bestie, please stop shagging other aries there won't be any anymore. I do understand why you keep choosing them though, they are obviously the best (very objective vision of Estelle) so enjoy while you can! It's okay to be surrounded by the best ones.</p>	<p>There is no Cancer in the team this year and I don't want to be bitter about you guys ( yes my ex is a cancer, why?) So I'll just read the one I saw on the internet to you: in September you will go through major changes (obviously you're arriving at INSA) but from the 6th Venus will help you out!</p>	<p>Just like Clement('s best friend) if you cannot choose between a motorbike or a kart to win the rainbow road you must be a libra! Very calm, you know that you don' t need to bring anyone down to win the race! You count on your focus and your perfect knowledge of secret passages!</p>	<p>Dear Capricorn, Julien speaking, to you, so rigorous playing belote (A+), patient when you need to wait for your drink but mostly the most courageous in the PK when you jump in the pogos. I cannot wait to meet you!</p>
TAURUS	LEO	SCORPIO	AQUARIUS
<p>Sorry buddy, there is no Taurus in the team this year, however we will give you a little prediction for September! An irresistible charisma and great creativity which can't wait to express itself! You are starting the year by using your charms around you to shine bright! XOXO</p>	<p>We're the most gorgeous and in top of that we're the most modes. CQFD</p> <p>Kiss, Thomas</p>	<p>Unlike Lucille ('cause she' s a gemini), you are a part of the winning sign! With your fantastic kart, you won't let anything to luck when it comes to winning! We could almost give you a real life original soundtrack!</p>	<p>Here you are, creative and wit, aquarius have everything planned. A brand new kart is what it takes to win! With some shells and one or two banana peels, your ennemies will have to work hard. Even the smartest won't be able to undo your traps.</p>
GEMINI	VIRGO	SAGITTARIUS	PISCES
<p>Little Gemini, Noemie here, like basically 99% of pour Com you have the best sign. You are obviously indecisive, not being able to chose between a weekend with your friends our staying to see the 11 tours and the boom, but don't care too much... Whatever you choose, you'll always have fun and a good laugh!</p>	<p>If you're a Virgo, you'll always make sure to take the first place on the podium! Perfectionist and ambitious you just cannot lose!</p>	<p>We've already been through this last year us sagittarius. This time we will be staying by the bar instead of being exhausted! We will wait for the other crazy ones there!</p>	<p>Just like Alienor, your a quiet strong one... Thanks to your romantic and dreamer side, you're not that feared but we should all be careful to you sneaky people, you m'll know how to make your way to the top!</p>

# AND OF COURSE THE MOST IMPORTANT INSTANT!

Little one, you are now facing your last hurdle before entering the 60th circuit, a last mission. You'll have to get a little gift to your sumptuous future coach. You'll offer it to him or her when you'll meet him or her on the welcome week. You can get whatever you want so be creative, unique, breathtaking!

(IF YOU DON'T BE CERTAIN YOU'LL NEVER GET HIS/HER PRECIOUS FLASHCARDS)

But first you have to reveal your artsy side by writing, with all the love (and talent) you can give, a poem destined to your future mentor that you already love so much!

(BE CAREFUL, YOUR MENTOR WILL REMEMBER THIS MASTERPIECE FOR THE REST OF HIS/HER LIFE AND YOU'LL HAVE TO RECITE IT LIKE ANY GOOD APPRENTICE!)
